Case No. C17-0560RSM

MINUTE ORDER GRANTING MOTION
FOR RECONSIDERATION

15 The following MINUTE ORDER is made by direction of the Court, the Honorable
Ricardo S. Martinez, Chief United States District Judge:

16 THIS MATTER comes before the Court on Defendant's Motion for Reconsideration.
17 Dkt. #129. Although characterized as one for reconsideration, the Court instead construes the
18 motion as one for clarification. Accordingly, no response from Plaintiff is necessary.
19

20 In its prior Order the Court failed to recognize that some of the stricken discovery
21 motions pertained to Defendants' Counterclaims, rather than to the dismissed causes of action.
22 Accordingly, the Court now GRANTS Defendants' motion and CLARIFIES that nothing in
23 the Court's prior Order precludes Defendants from refileing their Second Motion to Compel
24 (Dkt. #71), as tailored to the Counterclaims and any affirmative defenses thereto.
